“Trusting someone to manage your assets requires faith and confidence”

Why us?

ZICO Trust (S) Ltd. (“ZICO Trust”) is an independent trustee and fiduciary services company, regulated by the Monetary Authority of Singapore (MAS) under the Singapore Trust Companies Act (Cap.336) to carry out the business of trust services in Singapore.

We offer a wide and diverse range of trust and trust-related services that can be seamlessly tailor-made to suit any needs. Our services are strengthened by a deep understanding of the laws of the respective countries, as well as the sharing of expertise and resources among the member firms of ZICO Holdings (ZICO).

ZICO Trust is a member of ZICO, an integrated network of multidisciplinary professional services firms helping organizations and individuals succeed in ASEAN.

With a presence in 10 countries and 18 offices, ZICO’s over 700 staff including 400 legal professionals and consultants, provide legal, advisory, and transactional services that create and secure business opportunities.

Our ability to tap into ZICO’s wealth of knowledge and resources gives us a distinct edge in our services as we are able to provide the appropriate assistance and advice to our clients, across the region.

Our approach

Setting up a trust is one way to establish one’s legacy and the trust itself is a very useful instrument to achieve certain objectives such as estate and tax planning, wealth distribution and preservation.

There are many different types of trusts available and this can be very daunting for the inexperienced. At ZICO Trust, we help you navigate through these complexities with our simple but yet effective approach:

We understand

We understand our clients’ needs and objectives

We explore

We explore options and structures to assist them with their objectives

We customize

We customise solutions that work best for them

Our clients and business associates span across international waters, particularly ASEAN member countries and the East Asian region. We work closely with our clients and their professional advisors to develop the most appropriate structures to suit their needs.

We also work with business associates such as bankers, fund managers, lawyers and accountants whom we assist in providing optimal solutions for their clients.

“This is why our personal relationship with our clients is of key importance to us”
